

AGRICULTURAL AND HEAVY EQUIPMENT TECHNICIAN

Program Office: 403.320.3411 • tradeslc@lethbridgecollege.ca

If you're eager to work on farm equipment, commercial vehicles or heavy machinery, the one-year Agricultural and Heavy Equipment Technician certificate equips you with the knowledge and experience needed to start working right away and continue on to an apprenticeship.

In just two semesters, you'll be trained on the latest in diagnostic technologies and tools and get the chance to test your skills working on a wide range of on and off-road vehicles and farm equipment.

Your Investment

Program fees will vary. To view the fee information for your program, go to lethbridgecollege.ca/programs (<https://lethbridgecollege.ca/programs/>) and select your program.

Graduation

Upon successful completion of all program requirements, students are awarded an Agricultural & Heavy Equipment Technician certificate.
