

# NATURAL RESOURCE COMPLIANCE

---

## TRANSFERS

Interested students can obtain further information on these partnerships from the School of Environmental Sciences Chair. Students who wish to continue studies at other institutions must meet the entrance requirements of that institution.

### Lethbridge College

Lethbridge College's Natural Resource Compliance diploma graduates may be eligible to receive up to 60 credits towards a Bachelor of Applied Science in Conservation Enforcement or a Bachelor of Ecosystem Management. Details regarding these programs can be found in the Academic Calendar or on the Lethbridge College website (<https://lethbridgecollege.ca/>).

### Royal Roads University

Graduates of Lethbridge College's Natural Resource Compliance diploma program are eligible for full block transfer into the Bachelor of Science in Environmental Practice or the Bachelor of Arts in Environmental Practice at Royal Roads University. Graduates may also receive full block transfer to the Bachelor of Science in Environmental Science, with the completion of one additional university-level math course (calculus or linear algebra preferred) and two university-level chemistry courses on arrival.
