

NURSING - BACHELOR OF

CAREERS

Upon successful completion of the program, you'll be eligible to write the NCLEX-RN exam to be licensed as a registered nurse. This will open career opportunities for you in a range of health care facilities, including:

- Acute Care (Medical, Surgical, Mental Health, Pediatric, Maternity, etc.)
- Continuing Care (Long Term Care, Supportive Living, etc.)
- Critical Care (ICU, ER, OR)
- Community Health Nursing (Public Health, Primary Health Care, Home Care, etc.)
- Medical Offices
- Rural and Remote Nursing
- Nursing Education
- Nursing Research
- Government Agencies
